

**Dr. Diana Bilimoria** (2012) is the Key Bank Professor of Organizational Behavior in the Weatherhead School of Management at Case Western Reserve University. Throughout her career, Dr. Bilimoria has focused research on the gendered climate of organizations, women's leadership, ways in which women can achieve success, and the transformation of organizations to achieve gender, racial and ethnic equality. Dr. Bilimoria has authored three books and more than 100 papers. She recently published a book, *Gender Equity in Science and Engineering: Advancing Change in Higher Education*, which describes strategies for eliminating barriers to the academic advancement of women faculty members. In addition to her academic work, she has given freely of her time and talent to help women faculty and staff inside and outside of the academy in a variety of settings.
